EXPERIENCE

Freelance

PIP-POP Studios - Mar del Plata, Buenos Aires, ARG
April 2021 - Present

Currently designing and building website for Startup game company.

Ski Instructor

Granby Ranch - Granby, Colorado, United States
December 2019 - March 2020

- Teaching people of all ages how to ski, or how to improve their skills
- I helped to train new instructors, both on subject knowledge as well as how to lead effectively.
- Learned how to be an effective team leader, organize groups efficiently, and developed great interpersonal skills.
- Worked in collaboration with other instructors, as well as individually.

EDUCATION

Associate Degree in Computer Programming

Universidad Tecnologica Nacional - Mar del Plata, Buenos Aires, Argentina

Graduation year: 2021
